

# LEON HUMPHRIES

Leon boarded the train back in the early years of the 90's and is one of the only skaters I have seen stick around all this time and never slow down, in fact Leons skating continues to progress each year!

Currently shooting for a number of major video parts and print publications Leon continues to test the boundaries of reality and the limits of possibilities for wheels beneath our feet.

Regarded as one of the true pioneers in UK history Leon is an inspiration to KINGDOM Magazine. Leon is leading his own path, foot prints have been printed, as he rolls forward many more will be marked.

PHOTOGRAPHY: Portraits - Short / Action - Sam Butt  
WORDS: Short

A man with dark, curly hair and a beard, wearing a dark jacket, is looking out of a train window. The background is bright and blurred, suggesting motion.
